

## State Regions Project

I will be researching \_\_\_\_\_ region.

**DIRECTIONS:** You will be locating information about the U.S. region selected above. Some of the facts will be easy to find; others will require summarizing and paraphrasing. Use the Internet to locate information.

### States in Region

### Climate

What is the weather generally like in the summer?

What is the weather generally like in the winter?

### Well Known Landmark

Locate a famous landmark in your region that you want to visit!

Name: \_\_\_\_\_

Location: \_\_\_\_\_

What makes it special? Why do people visit it?

### Landforms

What are the predominate landforms in the region?

### Resources or Industry

How do people in the region make money? Do they have natural resources they can sell, certain types of jobs that are popular?
