

Would You Rather

DIRECTIONS: Write each name of the student(s) answering each question in the first column. Put an X in the box that matches your answer choice. Tally the answer choices for each question and create a bar graph using the blank chart on the back.

	Would you rather be able to slide down rainbows or jump on clouds?		Would you rather have one eye in the middle of your head or two noses?		Would you rather brush your teeth with soap or drink sour milk?		Would you rather be able to talk to animals or read people's minds?		Would you rather have wings or a mermaid tail?
